Evaluating Strategies For Reducing Health Disparities By Addressing The Social Determinants Of Health

Aligning IPE Education, Payment and Population Health

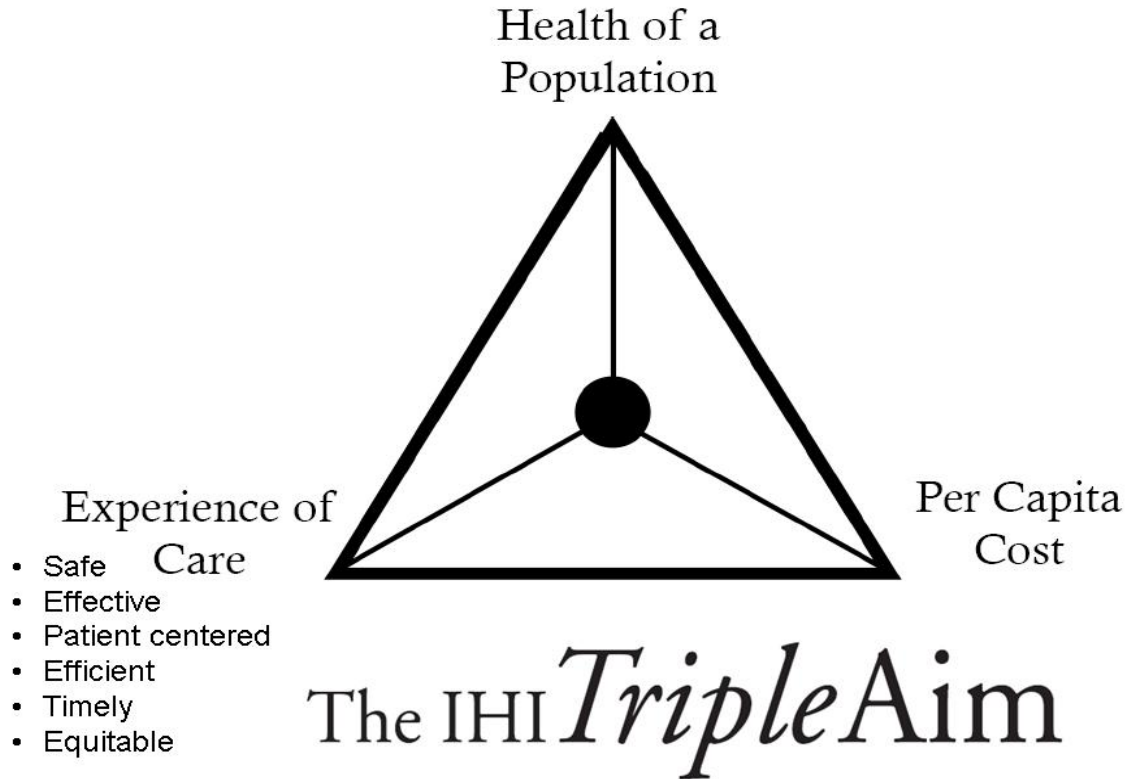

Triple AIM and Medical Training

- The fundamental goal of medical training is the production of a workforce capable of delivering **economically sustainable care** that will improve the **health of patients** and **populations** in a changing environment. Our system of medical education should be judged against those goals.

Congress Approves Bill to Avert Medicare Pay Cut for Doctors

By REUTERS MARCH 31, 2014, 7:09 P.M. E.D.T.

WASHINGTON — The U.S. Senate gave final congressional approval on Monday to legislation to avert a pay cut for doctors who participate in the Medicare insurance program for the elderly and disabled.

By a vote of 64-35, the Democratic-led Senate sent the measure, approved last week by the Republican-led House of Representatives, to President Barack Obama to sign into law.
